Subject: Safety Policy Guidelines for Subcontractors

Dear [Subcontractor's Name],

As a valued subcontractor, it is imperative that all safety protocols are strictly followed while working on our projects. Below are the guidelines that must be adhered to:

1. Safety Training

All subcontractor employees must complete safety training prior to beginning work on site.

2. Personal Protective Equipment (PPE)

Proper PPE must be worn at all times, including helmets, gloves, eye protection, and high-visibility clothing.

3. Incident Reporting

All incidents, accidents, or near misses must be reported immediately to the site supervisor for documentation and investigation.

4. Safety Meetings

Participation in weekly safety meetings is mandatory for all subcontractor crew members.

5. Compliance with Regulations

Subcontractors must comply with all federal, state, and local safety regulations.

We appreciate your cooperation in ensuring a safe working environment for all personnel involved. For any questions or further clarification, please do not hesitate to contact us.

Thank you for your attention to these important safety guidelines.

Sincerely,
