Dear [Recipient's Name],

I am writing to formally appeal the termination of our subcontractor agreement, dated [Insert Agreement Date], due to alleged safety compliance failures. We understand the critical importance of safety standards in our projects and take these allegations very seriously.

We would like to present the following points in our defense:

1. On [specific dates], we implemented [specific safety measures] that exceeded compliance requirements.
2. We conducted regular safety training sessions for all personnel, ensuring complete adherence to safety protocols.
3. Recent audits from [auditor/third-party] confirmed our compliance with all safety regulations.

We believe that these measures demonstrate our commitment to maintaining a safe working environment and fulfilling our contractual obligations. It is our intention to address any concerns and rectifications that may be necessary to uphold our standards.

We kindly request a reconsideration of the termination decision and would appreciate an opportunity to discuss this matter further. Please let us know a suitable time for a meeting.

Thank you for your attention to this matter. We look forward to your prompt response.

Sincerely,
