From: [Your Company Name]

Dear [Vendor Name],

We are committed to promoting sustainable practices and ensuring that all our partners align with our ecological responsibility goals. As we continue to develop our partnership, we would like to share our expectations regarding your ecological practices and sustainability commitments.

1. Environmental Policies

We request that you provide a brief overview of your environmental policies, including any certifications you may hold, such as ISO 14001.

2. Resource Management

Please outline how you manage resources efficiently, including waste reduction, recycling initiatives, and energy conservation measures.

3. Supply Chain Practices

Detail your supply chain practices focusing on the sustainability of materials used and sourcing processes.

4. Compliance and Reporting

Share your compliance with environmental regulations, and how often you monitor and report on your ecological impact.

We believe that collaboration in ecological responsibility will not only enhance our brand image but also contribute positively to the environment. We look forward to your detailed response and to further strengthening our partnership.

Thank you for your attention to this important matter.

Sincerely,
