

# Library Quiet Zone Policy Guidelines

Dear Library Patrons,

We strive to provide a peaceful and conducive environment for all library visitors. To ensure a pleasant experience, we kindly ask you to adhere to the following quiet zone policy guidelines:

- Noise levels must be kept to a minimum in designated quiet areas.
- Cell phones should be silenced or turned off while in these zones.
- Conversations should be conducted in a whisper.
- Use of electronic devices should be done with headphones at a low volume.
- Food and drink are not permitted in the quiet zones to avoid disturbances.

Your cooperation is greatly appreciated and enhances the library experience for everyone. Thank you for your understanding!

Sincerely,

The Library Management
