Dear [Recipient's Name],

As National Library Week approaches, we see a unique opportunity for collaboration between [Your Organization/Library Name] and [School's Name] to promote literacy and a love for reading within our community.

We would like to propose a collaborative initiative that includes:

- Interactive reading sessions for students.
- Workshops on effective research practices.
- Book donation drives to support the school library.

We believe that these activities can inspire students to engage more with their local libraries and enhance their educational experience. Our team is excited about the possibility of working together to make this a memorable National Library Week.

Please let us know a convenient time for you, and we would be happy to discuss this proposal further.

Thank you for considering this collaboration.

Sincerely,
