Dear [Librarian's Name],

I hope this message finds you well. My name is [Your Name], and I am a local author from [Your Location]. I am reaching out to propose a collaborative library session that would feature my work, [Insert Book Title/Genre], and engage our community in literary exploration.

During this session, I would like to offer the following activities:

- A reading from my book
- A Q&A session with attendees
- Discussion on the writing process and local literature

I believe this collaboration would not only enhance the library's programming but also nurture a love for reading and writing among our community members. I am open to discussing any additional ideas you may have for this event.

Please let me know a convenient time for us to discuss this proposal further. Thank you for considering this opportunity for collaboration.

Sincerely,

[Your Name]
