Dear [Library Manager's Name],

I am writing to propose an art exhibition titled "[Exhibition Title]" at [Library Name] for educational purposes. This exhibition aims to showcase the work of local artists and engage the community in creative discourse.

The exhibition would take place from [Start Date] to [End Date] and would feature works from artists focused on [Art Theme/Subject]. In addition to the display of artwork, we propose to organize workshops and talks to further enrich the educational experience for library patrons.

We believe this exhibition aligns with the library's mission to foster a love of learning and cultural appreciation within the community. We are eager to partner with you to create an engaging program that highlights the works of emerging artists while providing educational opportunities for visitors of all ages.

Thank you for considering our proposal. I look forward to the possibility of collaborating with [Library Name] to bring this unique exhibition to life.

Sincerely,
