

Dear Students,

Welcome to our academic library! To help you make the most of your library orientation, here are some tips:

1. Active Participation

Engage actively during the orientation sessions by asking questions and participating in discussions.

2. Take Notes

Bring a notebook or digital device to jot down important information, resources, and tips shared by the librarians.

3. Explore the Facility

Take a guided tour of the library to familiarize yourself with its layout and various sections.

4. Utilize Tutorials

Watch online tutorials and attend workshops offered on how to effectively use library databases and tools.

5. Create Connections

Connect with librarians and staff who can assist you throughout your studies. Don't hesitate to introduce yourself!

6. Set Goals

Identify your academic needs and set specific goals for utilizing library resources to help you in your courses.

We hope you find these tips helpful as you embark on your learning journey. Happy studying!

Sincerely,

Your Academic Library Team
