

# Feedback on Library Photography Classes

Dear [Instructor's Name],

I hope this message finds you well. I wanted to take a moment to provide some feedback on the photography classes offered at the library.

Overall, I found the classes to be extremely informative and engaging. Your teaching style was both approachable and encouraging, which helped to foster a positive learning environment. The hands-on activities allowed us to apply what we learned in a practical setting.

One aspect I particularly enjoyed was the focus on [specific topic or technique, e.g., composition, lighting]. It really enhanced my understanding and provided me with tools to improve my photography skills.

However, I would suggest considering [any constructive criticism or suggestion, e.g., more advanced topics, guest speakers]. This could provide participants with additional depth and varied perspectives.

Thank you for your dedication and for sharing your passion for photography with us. I look forward to attending more classes in the future!

Sincerely,

[Your Name]
