Dear [Pastor's Name or Prayer Team],

I hope this message finds you well. I am writing to request prayers for my health and well-being. Recently, I have been facing some health concerns, and I believe in the power of collective prayer.

[Briefly explain your health concerns, e.g., "I have been experiencing chronic pain that has affected my daily life, and I am seeking comfort and healing."]

I would greatly appreciate it if you could include my name and situation in the prayers during the worship services and the prayer meetings.

Thank you for your support and prayers. I am grateful to be part of such a caring community.

God bless you all.

Sincerely,
