Subject: Proposal for Intergenerational Worship Planning Collaboration

Dear [Recipient's Name],

I hope this message finds you well. As we continue to explore ways to foster community and inclusivity within our church, I am reaching out to propose a collaborative effort in planning intergenerational worship services.

The purpose of this collaboration is to create a worship experience that resonates across all age groups, enriching our spiritual journey together. By combining our resources, ideas, and talents, I believe we can develop vibrant services that celebrate the diversity of our congregation.

I suggest we schedule a meeting to discuss our vision, share ideas, and outline our approach for this collaborative effort. Please let me know your availability so we can arrange a time to meet.

Thank you for considering this proposal. I am excited about the potential of working together for the spiritual growth of our community.

Warm regards,
