

Announcement of Our New Environmental Program

Dear Church Family,

We are excited to announce the launch of our new environmental program, "**Creation Care Initiative**", designed to promote stewardship of God's creation within our community.

This program will kick off on **Sunday, March 15th, 2024**, following the service. We invite you to join us for a special presentation where we will outline our goals, upcoming activities, and ways you can get involved.

Let's come together as a church to make a positive impact on our environment and foster a culture of sustainability.

We look forward to seeing you there!

Blessings,
[Your Church Name]
