

Church Hospital Visit Protocol

Dear Volunteers,

Thank you for your commitment to serve our community through hospital visits. Please adhere to the following protocol during your visits:

Preparation Before Visit

- Ensure you are well-rested and healthy.
- Gather any materials needed, such as prayer cards or uplifting messages.
- Confirm your visit schedule with the church coordinator.

During the Visit

- Be respectful of the patients' privacy and wishes.
- Engage in comforting conversation and listen actively.
- Limit your visit to no more than 30 minutes, unless otherwise requested.

After the Visit

- Document your visit in the church logbook.
- Share any specific prayer requests with the church prayer group.
- Reflect on the visit and seek feedback from other volunteers.

Thank you for your dedication and compassion. Your ministry is making a difference.

In Christ's Love,
