

Church Hospital Visitation Guidelines

Dear Church Members,

As part of our commitment to supporting our congregation during times of need, we have established the following guidelines for hospital visitations:

Visitation Schedule

- Visits will be conducted on Tuesdays and Thursdays from 2 PM to 4 PM.
- Please contact the church office to schedule a visit.

Visitation Protocols

1. All visitors must check in with the hospital staff upon arrival.
2. Maintain a quiet and respectful environment in patient rooms.
3. Limit the number of visitors to two at a time.
4. Follow all hospital health and safety protocols.

Member Support

If you or someone you know is hospitalized, please inform the church so we can provide support and prayer.

Thank you for your cooperation and for being a loving community.

Blessings,
