To Whom It May Concern,

I am writing on behalf of [Church Name] to request funding for our Refugee Assistance Program. Our church has been actively involved in supporting refugee families in our community by providing essential services such as housing assistance, food distribution, and language training.

Over the past year, we have seen a significant increase in the number of refugees seeking help, and we are committed to expanding our efforts to meet their needs. However, to continue and enhance our program, we require financial support of [\$Amount]. This funding will be allocated towards [specific uses of funds, e.g., purchasing supplies, organizing workshops, etc.].

We believe that every individual deserves to feel safe and supported, and with your help, we can make a tangible difference in the lives of many families. We are confident that our program aligns with your philanthropic goals and demonstrates a commitment to community welfare.

We would be grateful for the opportunity to discuss this funding request further. Please feel free to reach out to me directly at [your phone number] or [your email address]. Thank you for considering our request and for your support of our mission.

Warm regards,
