

Dear [Recipient's Name],

I hope this message finds you well. I am writing to suggest a tutoring arrangement that could significantly enhance [Student's Name]'s math skills.

After analyzing [Student's Name]'s current performance in math, I believe that the guidance of a dedicated tutor could provide the support necessary for improvement. I would like to recommend [Tutor's Name], who has extensive experience in teaching mathematics and a proven track record of assisting students in boosting their skills and confidence.

[Tutor's Name] specializes in areas such as:

- Algebra
- Geometry
- Calculus
- Problem-solving strategies

They offer personalized lesson plans tailored to [Student's Name]'s specific needs and learning pace, ensuring a productive and engaging learning experience.

If you would like, I can facilitate a meeting between you and [Tutor's Name] to discuss potential scheduling and expectations. I believe this collaboration could be incredibly beneficial for [Student's Name].

Thank you for considering this suggestion. I look forward to your response.

Sincerely,
[Your Name]
