Dear [Recipient Name],

We are reaching out to propose a joint patent licensing initiative aimed at fostering innovation and collaboration in [Industry/Field]. Given the complementary nature of our technologies, we believe that a partnership would be mutually beneficial and accelerate the development of [specific technology or solution].

We propose to enter a discussion regarding the terms and framework of this initiative, which may include:

- Identification of key patents relevant to our collaboration.
- Licensing structure and revenue-sharing model.
- Collaboration on research and development initiatives.
- Strategies for commercialization and market entry.

We welcome the opportunity to discuss this initiative further and explore how we can jointly unlock the potential of our respective technologies. Please let us know your availability for a meeting at your earliest convenience.

Thank you for considering this opportunity. We look forward to your positive response.

Sincerely,
