

Dress Code Guidelines

Dear Superheroes,

We are thrilled to invite you to the upcoming Superhero Gathering! To ensure that everyone embodies the true spirit of heroism, we have established the following dress code guidelines:

Costume Requirements

- All attendees must come dressed as their favorite superhero.
- Costumes should be family-friendly and appropriate for all ages.
- Please avoid masks that obscure your identity completely--let's keep the camaraderie alive!

Superhero Accessories

- Capes, shields, and utility belts are encouraged to enhance your superhero look.
- Superhero-themed hats or headbands are a great addition.
- Wands, staffs, or other thematic props are welcome but should not be hazardous.

Comfort & Safety

- Choose costumes that allow for comfortable movement.
- Please be mindful of costume elements that could cause tripping or injury.

We look forward to seeing all the incredible superhero outfits you will bring! Let's make this gathering a day filled with fun and bravery!

Kind regards,
The Superhero Gathering Committee
