To whom it may concern,

I am writing to express my interest in becoming a member of the Scandinavian Design Association. I have a strong passion for Scandinavian design and have followed its principles throughout my work and personal projects.

I believe that joining the association will allow me to further immerse myself in this design philosophy, connect with like-minded individuals, and contribute to the promotion of Scandinavian design.

Please find my application form and further details attached. I look forward to the opportunity to be part of such a highly regarded organization.

Thank you for your consideration.

Sincerely,
