

Call for Participation: Architecture Symposium 2023

Dear Researchers,

We are excited to announce the upcoming Architecture Symposium 2023, which will be held on March 15-17, 2023, at the University of Design. This symposium aims to bring together researchers, practitioners, and students to discuss the latest developments in architectural research and practice.

We invite you to submit your research papers, case studies, and project proposals for consideration. The themes for this year's symposium include:

- Innovative Sustainable Design
- Urban Resilience and Adaptation
- Digital Fabrication and Architecture
- Social Dynamics in Urban Spaces

Submission Guidelines:

Please prepare your submission following the provided template and submit by January 15, 2023. Accepted papers will be presented during the symposium, and selected works will be published in the Symposium Proceedings.

For more information, please visit our website at www.architecturesymposium2023.com or contact us at info@architecturesymposium2023.com.

We look forward to your participation!

Best Regards,

The Organizing Committee
