Dear [Provider's Customer Service Manager],

I am writing to formally request an improvement in the internet speed provided to my residence at the above address. I have been experiencing persistent issues with slow internet connectivity, which has significantly impacted my ability to work from home and attend online classes.

Despite having subscribed to a plan that promises high-speed internet, I frequently encounter buffering, slow download and upload speeds, and disconnections during peak hours. I kindly ask that you investigate my account and improve the service provided.

I appreciate your attention to this matter and look forward to your prompt response.

Thank you for your assistance.

Sincerely,

[Your Name]
