To Whom It May Concern,

I am writing to formally express my concern regarding the chronic issue of insufficient seating on your trams. As a regular commuter, I have observed that during peak hours, many passengers are forced to stand, which not only causes discomfort but also raises safety concerns.

The lack of adequate seating has made my daily commute increasingly challenging, making it hard to maintain a comfortable and safe environment for all riders. It is evident that the current capacity is not meeting the demands of your passengers, and I urge you to consider addressing this matter promptly.

I believe that by increasing the number of seats available on your trams, you would significantly enhance the overall commuting experience for many individuals and families who rely on this mode of transportation.

Thank you for your attention to this matter. I look forward to your prompt response regarding potential solutions to improve seating availability on your trams.

Sincerely,

[Your Name]
