[School's Address]

[City, State, Zip]

Dear [School Administration's Name],

I am writing to formally express my objection regarding the recent changes made to the extracurricular activities offered at our school. As a concerned parent/guardian of [Child's Name], I believe that the modifications implemented may negatively impact the well-rounded education and personal development of the students.

Specifically, I am concerned about [specific issues related to extracurricular activities, e.g., cancellation of a popular sport, reduction in clubs, lack of diversity in offerings, etc.]. These activities play a crucial role in fostering teamwork, leadership, and social skills.

I kindly request that the administration reconsider these changes and hold discussions with parents, students, and faculty to address our concerns. It is essential for our children to engage in a variety of extracurricular opportunities that promote their growth and well-being.

Thank you for your attention to this matter. I look forward to your prompt response.

Sincerely,

[Your Name]
