Dear [Builder's Name],

I am writing to formally express my dissatisfaction regarding the additional costs associated with the construction of my home, which were not disclosed prior to signing the contract.

As you are aware, we entered into a contract on [Contract Date] for the construction of my home located at [Property Address]. During our discussions and in the contract documents, there were no mentions or indications of potential extra costs that could arise during the building process.

Recently, I have been informed about additional charges amounting to [Specific Amount] for [Brief Explanation of Charges]. This information has caused significant concern and confusion, as it was my understanding that the agreed price was all-inclusive.

I kindly request a detailed explanation for these additional costs and seek clarification on why this information was not made available to me at the time of our agreement. I believe this transparency is crucial for maintaining a positive relationship moving forward.

Thank you for your attention to this matter. I look forward to your prompt response.

Sincerely,

[Your Name]
