

Subject: Request to Cease Unsolicited Email Marketing

Dear [Recipient's Name],

I hope this message finds you well. I am writing to formally request the cessation of unsolicited email marketing communications from your organization.

Despite my previous attempts to unsubscribe, I continue to receive promotional materials that I did not explicitly consent to. This not only clutters my inbox but also creates an inconvenience for me.

Under the applicable data protection regulations, I would appreciate your prompt action in removing my email address from your mailing list. My email address is [Your Email Address].

Thank you for your attention to this matter. I look forward to your prompt confirmation of the removal of my email from your distribution list.

Sincerely,
[Your Name]
