Dear [Recipient's Name],

I am writing to formally express my concerns regarding the inadequate medical response protocols observed at [specific location or facility name]. On [specific date], I witnessed an alarming situation where the responses to medical emergencies were insufficient and ultimately detrimental to patient outcomes.

Specific instances include [describe specific incidents or cases where protocols failed, include dates and relevant details]. These experiences have raised serious questions about the preparedness and training of the staff as well as the overall emergency response procedures in place.

I urge your organization to review and critically assess the current medical response protocols to ensure that they align with industry standards and best practices. This is crucial not only for the safety of patients but also for the confidence of the community in your facility's ability to provide timely and effective medical care.

I appreciate your immediate attention to this critical matter and look forward to your prompt response regarding steps that will be taken to address these concerns.

Sincerely,
[Your Name]
