Dear [Recipient Name],

I am writing to formally protest the persistent noise originating from the construction site located at [Construction Site Address]. Since the commencement of the project on [Start Date], the levels of noise have become increasingly disruptive.

The construction activities, which often begin early in the morning and continue late into the evening, have significantly affected the quality of life in our community. Many residents, including myself, have experienced disturbances in our daily routines, sleep deprivation, and increased stress levels.

While I understand that construction is necessary for development, I urge you to implement measures to mitigate the noise levels, such as adhering to regulated working hours, utilizing quieter machinery, and employing sound barriers.

I appreciate your attention to this matter and look forward to your prompt response outlining the actions that will be taken to address this ongoing issue.

Sincerely,
