Dear [Recipient's Name],

I am writing to formally object to the recent product recall communication regarding [Product Name], dated [Date of Communication].

While I understand the importance of safety and consumer protection, I believe the reasons stated for the recall are unfounded/overstated and do not accurately reflect the product's performance or safety as experienced by customers. In my experience, [briefly explain personal experience with the product and why you believe the recall is not warranted].

I urge you to reconsider the recall and reassess the implications it has on your customers and your brand's reputation. I appreciate your attention to this matter and look forward to your prompt response.

Thank you for your time.

Sincerely,  
[Your Name]
