Dear [Recipient Name],

I am writing to formally express my objection to certain stipulations outlined in the contract dated [Contract Date], which I believe to be unreasonable and not in alignment with our prior discussions.

Specifically, I would like to address the following clauses:

- [Clause 1: Brief description of the clause and reason for objection]
- [Clause 2: Brief description of the clause and reason for objection]
- [Clause 3: Brief description of the clause and reason for objection]

I believe that these stipulations may impose undue burdens and discomfort that could jeopardize our mutually beneficial relationship. I would appreciate an opportunity to discuss this matter further and negotiate changes to these clauses to ensure a fair agreement.

Thank you for considering my objections. I look forward to your prompt response.

Sincerely,

[Your Name]
