Dear [Provider's Customer Service/Manager's Name],

I am writing to formally request an improvement in my current internet speed with your service. My account number is [Your Account Number], and I have been a customer since [Date of Joining].

Unfortunately, my internet speed has consistently fallen short of the promised levels, which has been affecting my daily activities, including [mention specific activities like remote work, online classes, streaming, etc.]. I have attempted to resolve this issue by [mention any previous communication or troubleshooting efforts], but the situation remains unchanged.

I kindly ask that you review my account and consider providing an upgrade or any possible solutions to enhance my internet service. I appreciate your prompt attention to this matter and look forward to your positive response.

Thank you for your assistance.

Sincerely,

[Your Name]
