Subject: Protest Against Inefficient Cooperative Efforts

Dear [Recipient's Name],

I am writing to formally express my dissatisfaction with the current state of cooperative efforts within [specific organization or community]. It has come to my attention that the collaboration among team members has been lacking, resulting in missed deadlines and a decline in overall productivity.

Despite numerous discussions and meetings to address these issues, it seems that little progress has been made. The lack of communication and shared goals is increasingly evident and is affecting not only our output but also the morale of team members.

I urge you to take immediate action in re-evaluating our cooperative strategies and to implement better communication channels among all parties involved. It is essential for our success that we work together more effectively.

Thank you for your attention to this matter. I hope to see prompt improvements in our cooperative efforts.

Sincerely,

[Your Name]
