

Familial Reference Letter

Date: [Insert Date]

To Whom It May Concern,

I am writing this letter as a familial reference for [Adoptive Parent(s) Name(s)], who are in the process of adopting a child. As [relationship to adoptive parents, e.g., sister, brother, aunt, etc.], I have had the pleasure of knowing them for [number of years] years.

[Adoptive Parent(s) Name(s)] have always demonstrated qualities that make them outstanding caregivers. Their love, patience, and nurturing spirit are evident in every interaction I've witnessed. They create a warm and loving environment, where [child's name, if applicable] would feel safe and supported.

I strongly believe that they will provide a stable and loving home for any child they welcome into their family. They are dedicated to ensuring that a child will have access to education, emotional support, and a community that nurtures growth.

In conclusion, I wholeheartedly support [Adoptive Parent(s) Name(s)] in their adoption journey. I have no doubt that they will be amazing parents and positively contribute to a child's life.

Thank you for considering my perspective on this family's readiness to adopt.

Sincerely,
