

Letter of Recommendation

Date: [Insert Date]

To Whom It May Concern,

I am writing to recommend [Applicant's Name] for the engineering internship position at [Company/Organization Name]. As [his/her/their] professor/advisor at [University/College Name], I have had the pleasure of overseeing [his/her/their] academic progress and am consistently impressed by [his/her/their] dedication and skill in the field of engineering.

[Applicant's Name] has demonstrated exceptional abilities in [specific engineering skills or projects]. [He/She/They] has a strong understanding of engineering principles and is adept at applying them in practical situations, as evidenced by [specific project or achievement].

Moreover, [his/her/their] teamwork skills are commendable. [He/She/They] collaborates effectively with peers and is always willing to assist others, which fosters a positive working environment. [Applicant's Name] is also proactive in seeking solutions and shows great initiative.

In conclusion, I wholeheartedly recommend [Applicant's Name] for the internship. I am confident that [he/she/they] will be a valuable asset to your team and contribute greatly to [Company/Organization Name]. Should you require any further information, please feel free to contact me at [Your Email] or [Your Phone Number].

Sincerely,
[Your Name]
[Your Position]
[University/College Name]
