Dear [Utility Company Contact/Department Name],

I am writing to formally request the connection of utility services for a renewable energy system at my property located at [Your Address]. The project is intended to utilize [solar/wind/other renewable source] energy to provide sustainable power and reduce environmental impact.

Details of the Project:

- Type of Renewable Energy Source: [Specify]
- System Capacity: [Specify capacity in kW or MW]
- Installation Date: [Proposed Installation Date]

We understand the importance of adhering to all regulations and guidelines pertaining to the integration of renewable energy systems. We are committed to ensuring compliance with local codes and standards, and will provide all necessary documentation as required.

We kindly request the following from your office:

- Connection process and requirements for renewable energy sources
- Any associated costs or fees
- Timeframe for connection services

Thank you for your attention to this matter. We look forward to your prompt response so we may proceed with our renewable energy project.

Sincerely,
