

Request for Agricultural Land Leasing

Date: [Insert Date]

To:

[Landowner's Name]

[Landowner's Address]

[City, State, Zip Code]

Dear [Landowner's Name],

We hope this letter finds you well. We are writing on behalf of [Your Organization/Community Group Name] to formally request the leasing of agricultural land for the purpose of initiating a community farming project aimed at promoting sustainable agriculture, educating community members, and improving food security in our region.

Our project seeks to engage community members in the cultivation of crops that will be utilized for local consumption and distribution, thereby enhancing the economic resilience of our area. We believe that with the access to your land, we can create a thriving agricultural initiative that benefits both our community and the local environment.

We are interested in leasing [specific details about the land - size, location, etc.], and we are open to discussing various leasing terms that would be mutually beneficial. We have outlined several intended uses for the land, including [list intended uses - community gardens, educational workshops, etc.].

We would be grateful for the opportunity to discuss this proposal further and explore ways we can collaborate. Please feel free to contact us at [Your Phone Number] or [Your Email Address] to schedule a meeting at your earliest convenience.

Thank you for considering our request. We look forward to your positive response.

Sincerely,

[Your Name]
