Dear [Recipient's Name],

We, the undersigned, are writing to formally petition for increased access to internet-based courses offered by [Institution Name]. With the growing importance of digital skills in today's job market, it is essential that all students have the opportunity to participate in these valuable learning experiences.

Many students face challenges that hinder their ability to access traditional classroom settings, such as work commitments, family responsibilities, or health issues. By expanding the availability of online courses, [Institution Name] can support a more inclusive learning environment that accommodates the diverse needs of our student body.

We kindly request that the administration considers the following:

- Increase the number of available online courses each semester.
- Provide resources and support for students facing technical difficulties.
- Ensure that online courses maintain the same quality and rigor as in-person classes.

Thank you for your attention to this matter. We look forward to your positive response and are eager to work together to enhance educational access for all students.

Sincerely,

[Your Name]
