3. Community Advisory Board

We are forming a Community Advisory Board to ensure diverse voices and perspectives are included in our planning process. Interested members will be invited to share their thoughts and suggestions regularly.

4. Regular Surveys and Feedback

Your feedback is invaluable! We will implement regular surveys to gather your thoughts on current programs and future improvements.

5. Special Events and Open Days

Mark your calendars! We will organize special events and open days for the community to explore our offerings and provide feedback in a fun and engaging environment.
