Dear [Recipient Name],

I hope this message finds you well. I am writing to propose a partnership between [Your Organization] and [Recipient Organization] to support our upcoming fundraising initiative for the [Senior Center Name]. Our goal is to enhance the resources available for our senior community, promoting their health, wellbeing, and engagement.

As you may know, the [Senior Center Name] provides essential services such as [list services, e.g., meals, activities, health screenings]. However, to continue and expand these programs, we need financial support and collaborations with local businesses and organizations.

We believe that a partnership with [Recipient Organization] can greatly benefit both parties. Here are a few ways we envision working together:

- Co-hosting fundraising events.
- Joint marketing efforts to raise community awareness.
- Shared resources and volunteers for programs.

We would love the opportunity to discuss this proposal further and explore how we can align our missions for the benefit of our senior community. Please feel free to reach out to me at [Your Phone Number] or [Your Email Address] to schedule a meeting at your convenience.

Thank you for considering this partnership proposal. We look forward to the possibility of working together to support our seniors.

Sincerely,

[Your Name]
