Dear [Recipient's Name],

I hope this message finds you well. I am writing to request detailed information about the curriculum for your children's educational program. As a parent/guardian, I am keen to understand the learning objectives, subjects covered, and any special activities included in the program.

Could you please provide me with the curriculum outline and any additional resources that might help me understand the educational philosophy behind the program? I appreciate your assistance in this matter, as it will greatly help in making informed decisions regarding my child's education.

Thank you for your time and attention. I look forward to your prompt response.

Sincerely,
