To Whom It May Concern,

I hope this message finds you well. I am writing to request information regarding the pricing and payment options for your daycare services.

As I consider the best options for my child's care, it would be helpful to receive details about the following:

- The monthly tuition fees for different age groups.
- Any additional fees for supplies, meals, or activities.
- Discounts available for siblings or upfront payments.
- Your payment policies and accepted methods.

Thank you for your assistance. I look forward to your prompt response.

Sincerely,
