

# Invitation for Collaboration on Research Project

Date: [Insert Date]

Dear [Recipient's Name],

I hope this message finds you well. My name is [Your Name], and I am [Your Position] at [Your Institution/Organization]. We are currently embarking on an exciting research project titled "[Project Title]," which aims to [Brief Description of the Project Objectives].

We believe that your expertise in [Recipient's Area of Expertise] would greatly enhance the quality and impact of our research. We are therefore reaching out to invite you to collaborate with us as a co-sponsor of this project.

By collaborating with us, you will benefit from [List Potential Benefits for the Recipient, e.g., co-authorship in publications, access to data, networking opportunities, etc.]. We believe that this partnership will be advantageous for both parties and will contribute significantly to the field of [Relevant Field].

We would love the opportunity to discuss this collaboration in more detail and explore how we can work together. Please let us know your availability for a meeting in the coming weeks.

Thank you for considering our invitation. We look forward to the possibility of collaborating with you.

Sincerely,

[Your Name]  
[Your Title]  
[Your Institution/Organization]
