Dear [Recipient Name],

I am writing to propose funding for our Senior Community Outreach Program, designed to enhance the quality of life for seniors in our community. This program aims to provide essential services, engaging activities, and valuable resources to support the well-being of our elderly population.

Our program includes:

- Health and wellness workshops
- Weekly social activities to combat isolation
- Transportation assistance for medical appointments
- Information sessions on available resources and services

We are seeking a total of \$[amount] to sustain these initiatives over the next [duration]. Your support will make a significant difference in the lives of our seniors.

Thank you for considering our proposal. I look forward to the opportunity to discuss this further.

Sincerely,
