Dear [Recipient Name],

I am writing to request funding support for our women's shelter, [Shelter Name], located in [City/Region]. Our organization is dedicated to providing safe refuge and vital resources for women and their children who are victims of domestic violence and homelessness. Over the past year, we have seen a significant increase in the number of women seeking our services, and our funding resources are becoming increasingly strained.

To continue providing essential services, including shelter, counseling, and job training, we are seeking a grant of [specific amount] to support our initiatives. This funding will go directly towards [briefly outline how the funds will be used, e.g., expanding shelter capacity, providing training programs, etc.].

Your support can make a meaningful difference in the lives of these women and their families. We would be grateful for the opportunity to discuss this proposal further and explore how we can work together to create a positive impact in our community.

Thank you for considering our request. We look forward to the possibility of partnering with you to support women in need.

Sincerely,
