

Community Input Requested for Urban Garden Development

Dear Community Member,

We are excited to announce the development of a new urban garden in our neighborhood! This initiative aims to enhance our community's green spaces, promote biodiversity, and provide fresh produce for residents.

Your thoughts and ideas are invaluable to us. We would like to invite you to provide feedback on the proposed garden features, layout, and any activities you would like to see included.

Feedback Details:

- What types of plants would you like to see in the garden?
- Are there any specific features you want to include (e.g., seating areas, pathways, compost bins)?
- What community events or workshops would you like to see hosted in the garden?

Please share your feedback by [insert deadline date]. You can submit your responses through the following methods:

- Email: [insert email address]
- Community Meeting on [insert date and time]
- Online Survey: [insert survey link]

Your input will help shape our urban garden into a vibrant space for everyone. Thank you for your contribution to making our community greener and more sustainable!

Warm regards,
