

Air Conditioning User Manual Summary

Dear Tenants,

Welcome to your new home! We want to ensure you have a comfortable living experience, so we have summarized the key information regarding the air conditioning system.

Operating the Air Conditioning

- To turn on the unit, set the thermostat to your desired temperature.
- Use the remote control for convenient adjustments.
- Always keep windows and doors closed while the AC is running for optimal efficiency.

Maintenance Tips

- Clean or replace air filters every month to ensure good airflow.
- Keep the outdoor unit free from debris and obstructions.

Reporting Issues

In case of any malfunction or unusual noise, please report it to the property management immediately.

Thank you for your attention to the air conditioning system. Enjoy your stay!

Sincerely,

Your Property Management Team
