

Important Notice: Apartment Renovation Rules

Dear Residents,

As we begin the renovation process within our apartment complex, we would like to share the following rules and guidelines to ensure a smooth and safe experience for everyone:

Renovation Rules

1. All renovation work must be scheduled during weekdays between 9 AM and 5 PM.
2. Residents must notify the management office at least 48 hours in advance of any planned renovations.
3. Noise levels should be minimized, especially in the early morning and late evening.
4. No hazardous materials should be used without prior approval from the management.
5. Common areas must be kept clean and free of debris at all times.
6. Access to common facilities may be restricted during renovation periods; residents will be informed in advance.

We appreciate your cooperation and understanding during this time. If you have any questions or concerns, please do not hesitate to contact the management office.

Thank you for your attention.

Sincerely,
