

Gardening Tool Usage Policy

Dear Neighbors,

We are excited to announce the implementation of a Gardening Tool Usage Policy for our neighborhood gardens to ensure that our shared gardening resources are utilized effectively and respectfully. Please review the following guidelines:

1. Tool Borrowing

Tools are available for borrowing from the community shed. Each neighbor is allowed to borrow tools for a maximum of 48 hours.

2. Care and Maintenance

Upon returning any borrowed tools, please clean them thoroughly and report any damage immediately to the garden committee.

3. Logging Usage

All tool usage must be logged in the tool usage book located in the shed. Please indicate your name, the date, and the tools borrowed.

4. Respect and Responsibility

We expect all neighbors to respect the tools and use them responsibly. In case of loss or severe damage, the borrower may be required to replace the tool.

Thank you for your cooperation in making our neighborhood gardens a thriving and enjoyable space for everyone!

Sincerely,

The Neighborhood Gardening Committee
