Dear [Recipient Name],

I am writing to inquire about the eligibility criteria for the environmental funding programs offered by [Organization Name]. As a [your position, e.g., project manager, director] at [Your Organization/Company Name], I am keen to explore opportunities that can help us support our environmental initiatives.

We are particularly interested in [briefly describe your project or initiative], and we believe that funding from your organization could significantly contribute to our efforts in promoting [specific environmental goals, e.g., sustainability, conservation, community engagement].

Could you please provide information on the eligibility requirements, application process, and any deadlines that we should be aware of?

Thank you for your assistance. I look forward to your response.

Sincerely,
