Dear [Recipient Name],

I hope this message finds you well. I am writing to propose a partnership between [Your Organization] and [Recipient Organization] to promote reading among students in our local schools. Our goal is to encourage literacy and foster a love for reading through engaging activities and resources.

We believe that by collaborating, we can create impactful programs that will benefit students, teachers, and the community at large. We propose organizing book fairs, reading challenges, and author visits, which will not only enhance students' reading experiences but also integrate fun learning opportunities.

We are eager to discuss how we can work together to achieve these objectives and would love to set up a meeting to further explore this partnership. Please let us know your availability for a discussion.

Thank you for considering this partnership opportunity. We look forward to your positive response.

Warm regards,
