Dear [Recipient Name],

We are writing to propose the formation of an alliance to enhance our disaster recovery efforts in response to recent events. As we both understand, the impacts of disasters can be devastating, and it is crucial that we come together to share resources, expertise, and strategies to effectively support our affected communities.

Our organizations have a history of collaboration, and we believe that by joining forces, we can create a more resilient response framework that meets the needs of those affected by disasters. We envision pooling our resources to develop comprehensive planning, emergency response, and recovery systems.

We would like to schedule a meeting to discuss this proposal in detail and explore opportunities for collaboration. Please let us know your availability in the coming weeks.

Thank you for considering this partnership. Together, we can significantly enhance our capabilities and provide better support during emergencies.

Sincerely,
